

Call for Participation

We invite you to join us in **13th International Conference on Artificial Intelligence & Applications (ARIA 2026)** will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to.

Highlights of ARIA 2026 includes:

- 12th International Conference on Software Engineering and Applications (SOFEA 2026)
- 13th International Conference on Computer Science and Engineering (CSEN 2026)
- 12th International Conference of Control Theory and Computer Modelling (CTCM 2026)
- 12th International Conference of Networks, Communications, Wireless and Mobile Computing (NCWC 2026)
- 7th International Conference on Big Data, IOT and Blockchain (BIBC 2026)
- 7th International Conference on Data Science and Machine Learning (DSML 2026)
- 15th International Conference on Natural Language Processing (NLP 2026)
